Grounded in Truth

Truth is constant. Truth does not vary from one person to the next and it does not change with the circumstance. Truth is like a tree with deep roots. The winds of change may blow strong against it, but that tree does not move an inch and when the storm passes the tree is still there. The Lord's great desire for the church is that we "no longer be children tossed to and fro and carried about by every wind of doctrine" but, that we would be so grounded in the truth that we would remain steadfast when the winds of change pass by. How do we get those deep roots? There are two ways the truth of God's word takes root in the believer.

First, God "gave some to be apostles, some prophets, some evangelists, and some sheperds and teachers...that we should no longer be tossed to and fro..." (Ephesians 4:1 1-15). In other words, God set up a teaching program for the church so each member could be grounded in truth.

Second, God commands each member to study for ourselves. We must study to show ourselves approved unto God. (2 Timothy 2:15).

Spiritual roots grow deep when personal desire drives us to study and when we spend time with godly teachers of His word (Psalm 1:1-6). We hope to see you in Bible class!
