## From the Preacher's Desk

Last year, amid a pandemic, our congregation hosted a "Trunk or Treat" for the community. We didn't know what to expect regarding the number of people joining us. No one expected to have as many visitors as we did, which at the time was overwhelming, but also a wonderful blessing.

This year we are planning on doing our Trunk or Treat again. We are going to have it on Halloween night, with the exact time to be announced later. I know what you're thinking, "seems a little early to be talking about something that's happening in over 2 months." However, for those who helped last year you know how crazy busy things got, mostly with having enough candy. Let me be the first to say we need A LOT of donated candy this year. Last year we had to send volunteers several times to the store to pick up more as we began running out. So, if you can donate candy, we will have a bucket in the foyer for you to do so. We are also planning on making a trip to Sam's to buy candy in bulk, so if you just want to donate the money you can see me or one of the secretaries and we'd be happy to help.

Like last year, we will have a sign-up sheet in the foyer where you can sign-up as many vehicles as you wish to participate. I would love to have more cars decorated this year than we did the previous. As always, if you'd like to join, but aren't crafty, we have plenty of people willing to help out! Halloween for me is always the start of my favorite time of the year. It fills me with so much joy and happiness, so I truly hope you are as excited about this event, as I am. We will continue to update you as the weeks go by with more details. But please mark your calendars and plan on joining us for our 2021 Trunk or Treat!

Water Bottle Ministry!

The weekend that Catherine and I came to "tryout" we drove by the church building to see what it looked like. As we were driving down Downing St. we saw a lot of people running, and quickly realized we were witnessing a 5k that was going right by our church building. I immediately told Catherine, "What a great opportunity for the Christians in Angleton to help members of the community."

That moment was what spawned the idea for our "Water Bottle Ministry!" Throughout our community,

there are events and opportunities where a simple bottle of water would be a great blessing to people present. I have been the recipient, at a fair or craft show, of someone offering me a free bottle of water and being extremely grateful. Oftentimes, on the sides of those bottles, would be information for a new business or another upcoming event. What if we did the same, except put information about our congregation on the side. One of those upcoming events where these water bottles would come in handy is our very own Trunk or Treat. As the kids fill their bags with candy, we can also hand out bottles of water to their parents. Bottles that remind people of who we are, where we are at, how they can contact us, and that we are here to help in any way.

Here is how you can help! Next time you are at the grocery store if you wouldn't mind grabbing an extra case of bottled water and drop it off at the building. We will have people take them to the appropriate location, and wrap them with our information. As the opportunity arises we will donate and hand out these cases of water to those in our community. Just another opportunity for us to let the people in this area know that we are here, and we love them completely. John 4:14, "...but whoever drinks of the water that I will give him will never be thirsty again. The water that I will give him will become in him a spring of water welling up to eternal life." God bless and have a great week.  
David Olmos

## WEDNESDAY NIGHT WITH THE MASTER

Currently we have two complete cook and clean teams. We need help in completing a third team and would really like to have a fourth team. If you can help, please contact Rick Arnold.

If you would like to host a teen youth devotional in your home, let me know. We've had our devos at our church building for the past year, but we'd love to be able to get back to fellowshiping in each other's homes. Whether you are a parent of a youth, or just someone who wants to bless us and be blessed by sharing in the time of praise and fun we have together, please talk to me.

Summer has come and passed, but that doesn't mean there aren't still some awesome things for us all to do as the youth group! We've got some things in the works for this fall that are going to be awesome; be on the lookout for a calendar of all the youth events we've got (tentatively) coming up September to November.

Next Wednesday night, September 1, our Youth class will be starting a new series on Spiritual Disciplines—we'll be looking at ways to make our walk with Christ our own by introducing practical tools for prayer, fasting, and meditating on God's Word. I will be co-teaching this class along with our brother, Scott Ratcliff. We're going to be getting into the good stuff, the juicy stuff. You're going to want to be a part of this.
