FAMILY NEWS

Sunday we met for the second time in the fellowship hall. We enjoyed our worship together. Let's make plans to be in worship this coming Lord's Day.

The Angleton church continues to be generous. From January 29 to February 25 you gave \$6,599.74. This brings us to our total given in the last thirteen months to \$97,765.71. When you put it with the \$50,000 from our general fund, we have \$147,964.71 for phase one of our renovation. I hope you are praying each day for our renovation.

I wish to commend the Angleton church for helping the McZeal family from Lake Charles, Louisiana. You gave \$1,425. These funds were picked up from our church office by Murray Griggs of the Pearland West congregation on February 23.

We will have our annual Pray for America on Sunday, May 20, 2018. This will take place at our morning service beginning at 10:30 a.m. You need to make your plans to be present.

There will be a men's meeting on Wednesday, March 28. I hope you are making your plans to come on this evening following our Wednesday night service. All the men of the church are invited to be present.

Our Sunday morning Bible classes meet at 9:30 a.m. We have classes for all ages. Your family and you need to be present. I hope to see you this coming Lord's Day.

We are sorry to share with the church that one of the painters working our February 27 fell and injured his ankle. He was taken to UTMB Angleton by ambulance. The ladder he was on fell to create the accident.

The renovation is going well. The painting started on February 26 in the afternoon. We are hoping that in a short time they will be through with the painting.

Impact garage sale is coming up really soon. We are asking you to bring your items by March 5. This year we are storing them for a short time in our foyer. Please put everything on the plastic on the floor. Don't let anything lean against the wall because they are painting right now.

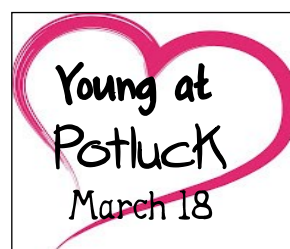

A school teacher by the name of Jennifer Senkmayer, from Ft. Grahot, Michigan, raised money from her class to send to us for people who experienced flooding during Harvey. The reason we were chosen is given by her: "I selected your church because my cousin's wife, Lindsey Mc Alpine, grew up in your church. It was her pictures of her papa's house (Farmer Krejci) that inspired me to ask my students to get involved." The sixth graders from Holland Woods Middle School gave money and children's clothing. What a beautiful spirit from these children! These children are blessed because they have a great teacher with a wonderful heart. Leland
