At the Olmos family's welcome potluck there will be an area for you to take a casual picture of your family. Please take a picture, post it to Facebook and/or Twitter and tag the church. If you are unsure how to tag the church, we will be glad to help you. Thank you! Pat Walker

How do you show affection? Do you say it? With actions? How do you say it? What actions do you do? According to Gary Chapman, there are five "love languages" (if you haven't heard of these, check out his book, *The Five Love Languages*). Chapman has applied these love languages not just to marriages, but to families and children as well. How we express love and affection differs from person to person. Some give gifts while others use words to express their care. Some prefer quality time, acts of service, or physical touch. Thinking about how we express love makes me wonder, "What is God's love language?" For gifts, He blesses us daily. He is always there for us, so that would be quality time. His Word is filled with encouragement and words of affirmation. For acts of service, He sent his son. That just leaves physical touch. I believe this is where the church comes in and expresses the physical love of Christ. As Christians, we should extend our hand to those in need and comfort those who need comforting. I think that is just another reason we are called the "body" of Christ. To be the physical touch of God's love.

Sweetheart Banquet will be February 16<sup>th</sup>! We will begin at 6:00 p.m. and have chauffeurs available for those who need them. Please RSVP with the church office and let us know if you need a ride.
