## FAMILY NEWS

Sunday we enjoyed being in the presence of God. It is always a blessing to worship the Father. Let's all make plans to be in worship next Lord's Day.

The renovation of our auditorium is underway. You were able to see the beginning last Sunday. When you arrive January 28 you will see a lot more has been accomplished.

Let's continue to pray for our special contribution on January 28. Let us continue to give liberally in 2018 for our renovation.

Our reading through the New Testament is going great! The show of hands on Sunday, January 21, was encouraging. If you get behind, you will have the opportunity to catch up. Let's all take five minutes a day for five days a week to do our assigned reading. I believe we all can accomplish our goal of reading through the New Testament in 2018.

Are your family and you coming to Bible school each week? These two hours a week will help you in your spiritual development. You have this opportunity on Sundays at 9:30 a.m. and on Wednesday evenings.

Our fellowship on Wednesday nights is important to help you to connect with each other. Are you connecting to other folks?

## FELLOWSHIP

In Acts 20 Paul was with the church in Troas when they had a unique Lord's Day. Since Paul was there he was given the opportunity to preach on that evening. It was common for

Jewish Christians to meet on Sunday evening.

The Bible says Paul preached until midnight. Then Eutychus fell out of the window and was killed. Paul went down to the street and raised him up from the dead. Then Paul returned to the meeting place for a meal. In Acts 20:11 it says this fellowship lasted until daybreak.

The church in Troas on this Lord's Day experienced a lengthy time together. They probably came together in the early evening, and they stayed till the next morning. This was accomplished because they wanted the fellowship that comes from Christians being together.

These Christians enjoyed the fellowship while eating the Lord's Supper and studying God's word. Then they had the fellowship that came from seeing Paul perform a miracle on Eutychus. The fellowship continued until daybreak while they enjoyed a physical meal.

The church in the 21st Century needs to realize the power of fellowship and encourage it on a regular basis.
