From the Preacher's Desk

This past Monday our congregation hosted the first of many Area-Wide Youth Devo's or "Jabberwacky's." We initially expected 100-150 young kids to join us and planned to feed them all accordingly. When the evening finally came we didn't have 150 people in our building...but almost double that. In the end, including our volunteers, we had close 300 people fellowshiping together.

First and foremost, to God be the glory! It was such an amazing moment to have that many people in our auditorium singing songs of praise to our creator. At one point I stood in the balcony, taking the picture you see below, and just listened to the amazing sound of all these young voices coming together to worship God. It was honestly breathtaking. I wish every member of our congregation would've gotten the chance to be there and have their hearts and souls affected by the wonderful sound. For those who were not present, you can access the whole event on our Facebook page, it will pale in comparison to being there in person.

The good news, there are more opportunities to share a similar experience throughout the remainder of the summer. While these "Youth Devotionals" are focused on our young kids, I can guarantee that every member of the congregation would benefit from joining in the fellowship. Next Monday the Graeber Road Church of Christ is hosting, and this is your official invitation to join them, and experience what many felt this past Monday, a glimpse of Heaven.

I also wanted to take a moment and thank all of our volunteers who helped to make the Jabberwacky event go off without a hitch. Over the past week, we've had a number of members in our congregation step up and lend a helping hand. Whether it was cleaning and organizing the

fellowship hall, preparing food at home, serving food that evening, or donating your crockpots, we couldn't have been able to do it without you. I am reminded of what was said in Acts 20:35, "In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, 'it is more blessed to give than to receive.'" God bless all those in our congregation who gave their time, efforts, money, and selves to further the good news in the Kingdom of God. For those who couldn't help, there are many opportunities coming up that we would love to have you be a part of, if for no other reason than to strengthen your spiritual lives. All you have to do is ask or say yes when we do!

One final word, I wanted to remind you all that we had to reschedule our previous picnic in the park, due to the weather, and our new date is fast approaching. We would love to have you and your family join us Saturday, June 26th at Masterson Park here in Angleton, Texas. We will meet around 11 a.m. and stay for as long as we like! We will have hotdogs, chips, and perhaps a few desserts to share. All we ask is that you bring your own drinks, chairs, and yourselves! I'm excited to join in the fellowship, as I hope you are as well. God bless and have a great week!

David Olmos
