### Upcoming Events:

This Saturday we have our Picnic in the Park (Masterson Park) beginning at 11 a.m. We hope you and your family plan on coming and joining us for the fun and fellowship. We will be bringing some hotdogs, chips, and drinks that were left-over from when we hosted Jabberwacky; however, if you wish to eat something else then feel free to bring whatever food you desire. This is a very casual and fun outing, so come and go as it seems fit for your family. We just know how important fellowship is in the church and want to give our members the opportunity to do so.

Every Wednesday evening our congregation has an opportunity to hear an amazing Summer Series lesson. This week we will have Matthew Hite from the Jersey Village congregation joining us. I wanted to take a moment and really encourage the whole congregation to come and hear these lessons. I know how tough Wednesday evenings can be for people. Those who work all day just want to go home and eat dinner and relax...I've been there. What I want you to realize, if you don't already, is what Wednesday nights are for. Wednesday evenings are an opportunity for you to recharge your spiritual batteries after an already long week. They are your chance to come and surround yourself with spiritually focused people and remind yourself of why you are here on this earth, to get to heaven. So please, don't look at Wednesday evening as "just another day we have to go to church" but rather as another opportunity we have to get out of the world, and back into the Word.

Finally, the Kingdom of God added a new soul to its body today (Tuesday, June 22nd)! Brother Brian Casey, whom I had the privilege to study with, called and wanted to be added to the Kingdom of God! There is nothing more amazing than a person making the decision to put on Christ through baptism. Luke 15:7, "Just so, I tell you, there will be more joy in heaven over one sinner who repents than over ninety-nine righteous persons who need no repentance." The most beautiful moment of the whole day, was as our brother came up out of the water, the first three words out of his mouth were, "Thank you, Jesus!" I couldn't have said it better. We ought to thank the Lord for every blessing we have in our lives because, without Christ, we would have nothing.

I hope you have a blessed week. If there is anything that I can do for you or your family, please don't hesitate to contact me. I am here to help in any way that I can. David Olmos

1 PETER 5:7 NKJV

This evening, June 22, we will be continuing our Reading through the Scriptures study by looking at the book of Philippians. I often say that the Ephesian letter is my favorite book of the New Testament, but Philippians it's close behind it. Another one of the prison epistles, The letter to the brothers in Philippi is one that really illustrates who Christ is and who we should be because of him. I know you will be blessed if you join with us this evening by following the link below:
