We are still looking for a female chaperon for our mission trip to Griffithville, AR, July 9-16. I know it is hard to get away for a full week, but being a part of this endeavor as we together serve by doing everything from helping with their food pantry to minor demolition, I know it will be a blessing for you. If you have any questions or concerns, come talk to me. In preparation for the mission trip, our youth group is looking for ways to serve our congregation. If you have any work that needs to be done (e.g. yard work, power washing, general maintenance, etc.) let us come take care of it for you! This not only prepares us for the work we will be doing in July, but it gives us the opportunity to bless our church family!
