Wednesday Night with the Master continues to go well. This is a good time for fellowship. You will be encouraged by being part of our Wednesday service. Our next meal will be March 21st.

We continue to make progress in the renovation of our auditorium. The next step in our renovation is installing the stone on the baptistry and the vinyl plank flooring. Let's continue to pray for this work to our facility.

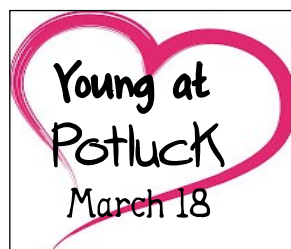

The people who came from Impact to pick up your donated items expressed their gratitude for your continued support and for helping them so much over the years.

There will be a men's meeting on Wednesday, March 28. I hope you are making your plans to come on this evening following our Wednesday night service. All the men of the church are invited to be present.
