FROM THE PREACHER'S DESK

BY: DAVID OLMOS

I want to draw your attention to some of the events and updates happening in our congregation. We've already mentioned them from the pulpit, but a gentle reminder never hurts.

As most of you know, I spend my time at the local Starbucks every Tuesday morning, making myself available to the community. If you're free and want to come chat, I'd love to have you. We can study the Bible, talk about anything, or sit together silently. After Job lost everything, his friends came to him, and the greatest gift they gave him was the seven days of silence as they sat with him, letting him know he was cared for.

On Thursday, March 21st, Brother Scott Ratcliff is organizing another online Men's Bible Study. This weekly study is open to all men in the congregation, and the office sends the link via email. To join, all you have to do is click on the link. The study starts at 7 pm.

We will host a GAME DAY in the fellowship hall on Saturday, March 23rd, starting at 2 PM. If you have not attended one of these fun events, I strongly encourage you to join us. Sharon Barrow puts in a lot of effort to ensure something for everyone. I can guarantee that you will enjoy this opportunity to fellowship and have fun.

On Sunday, March 24th, we will be hosting our 5th Sunday Potluck on the 4th Sunday of this month. As Easter weekend is coming up, we wanted to bring forward our event to allow us to have a wonderful time of fellowship together. We invite you to join us and encourage you to bring something to share. It's always lovely to catch up with members; our congregation has fantastic cooks. Bring the whole family, or why not invite someone you have been hoping to bring to worship? We will show them love and make them feel welcome!

Ladies of the congregation, I would like to talk to you briefly. In the past, you had a regular gathering with a meal, fellowship, and a Bible discussion. If you'd be interested in starting this again, I'd be happy to help by leading a relaxed Bible study. Many congregations have ladies' Bible studies during the week, often led by the preacher, and I want you to know I'm available to do that if it interests you. It doesn't have to be me who leads. It would be great if a lady would love to do it, but I know that can be daunting; however, if you are interested, I'm willing to help with your lesson. I have yet to plan any details because I'm just gauging interest, but a few people have asked to start up again, and I agree. If you're interested, please text, call, or catch me the next time you see me and share your thoughts!

Finally, a family update! As most of you know, Kaylee is playing soccer, and I have the privilege of coaching her and a wonderful group of girls. Kaylee wanted me to invite the whole congregation to attend one of her games, promising she would do her best! So, if you are interested, I'll share her schedule with you. With that in mind, many young kids participate in extracurricular activities, and it's good for us to encourage them. So, if your kid plays a sport, plays in the band, or has a performance of any kind, please let me know so that we can come to celebrate their hard work!

I hope that everyone is having a great week. If there is anything that we can do to assist you, please do not hesitate to contact us. We understand that some of our members are still experiencing the effects of the previous storms. I have already spoken with some of you, but if you still have debris or trees that need to be removed, please let us know. We have many capable members who are willing and ready to assist you. Just ask! God bless you all.
