"Family News"

As you all know, because I am a super proud dad, I've over-shared about Kaylee joining a soccer team club this spring, *The Comets*. Even though we've had a month of practices, and a game, I could tell Kaylee has felt out of place; some of her teammates were faster, more aggressive, and more talented than she was, and she didn't know where to fit in. However, last week we scrimmaged an older girls' group and got destroyed. I told the girls ahead of time I didn't expect us to win, but I wanted them to play against a challenging team so they could learn. Kaylee couldn't keep up and was getting discouraged, so I put her on goal defense. It was like someone flipped a switch inside her because her whole attitude changed. She made it her mission to stop the ball from getting into that goal, and she was a master at it! With a smile on her face, she said, "I can't wait for our next practice!" and I'm excited to say she's starting our game this Saturday.

Now, it's not my intention to pridefully boast about her success and hard work but to invite you to support a young member of this congregation. This Saturday is one of our latest games, playing at 12:45 pm in Lake Jackson, Texas, against *The Blue Diamonds*. I know that we have some already committed to helping at the Peach Street market, and I don't want to take you away from that; however, if you plan on being in the Lake Jackson area around noon and want some fun entertainment, then you are more than invited to come and watch. The address for the field is 91 Lake Rd, Lake Jackson, TX 77566. I know Kaylee would be thrilled to see her church family!

We have several exciting events coming up that our congregation is working hard to prepare for.

This Saturday, March 25th, we have a group set up at the Peach Street Market here in Angleton, TX. If you'd like to help pass out water, and other evangelistic materials, we'd love to have you! I will be setting up between 8-8:15 a.m. and will stay until 11 a.m. We have others who are planning to come sporadically throughout the morning to represent the congregation in the community. Even if you only have 30 minutes to spare, that's 30 minutes the Kingdom of God will be grateful you gave! These events are not only for

reaching out to our neighbors in the community but reaching in as well. They encourage, and challenge, us to make sacrifices we might not usually make! If you have more questions about the market, please let me know. The address: is 234 South Arcola St. Angleton, TX. See you there!

In connection with our Peach Street event, we are currently collecting cases of water. You might have forgotten, but we started a "Water Bottle Ministry" a year ago, and we plan on continuing to use this tool. We take bottles of water, remove the wrapping, and replace it with our information. We then take these bottles and hand them out at various public happenings. At this point, we are completely out of usable water bottles. If you can bring a case with you to Wednesday evening services so that we can wrap them during our Wednesday Night with the Master activities, we'd greatly appreciate it. You can also bring them this Sunday, as we plan on using them for future events as well.

Mark your calendars for our next "Movie Night" here at the Angleton Church of Christ fellowship hall. Friday, April 14th our fellowship hall will be transformed into a family-friendly theater with all the fixings. Food will be provided, including hotdogs, chips, drinks, candy, pickles, and popcorn. We will also have activities for the little kids to do, if they lose interest in the movie, which I can attest happens to a 3-year-old very quickly! But most importantly, we will begin the evening, which starts at 6 p.m., with congregational singing and a short devotional. We have done a few of these in the past, and they are always a great time. So we are excited to start them up again! Hope you and your family can join us!

If you have any questions about any of these events or one that you'd like to share with the congregation. Please call me, David, at the office or on my cell, and let's chat! If your child has a band concert, sports game, or other event coming up, please let us know! I am a firm believer in supporting our young kids in the things they do outside the congregation. If we only ever support our brothers and sisters in Christ when we are here at the building, then we aren't supporting them enough! I hope you have a wonderful rest of the week, and see you Wednesday evening for Bible Study, Singing, Devotional, and our regular Wednesday Night with the Master activities!

FROM MICHAEL

On Sunday, April 2, we will be having a meeting directly following morning services to discuss VBS. If you cannot stay, that is fine, but I cannot promise that it will not affect your eternal salvation. Joking aside, I would love to have as many people there as possible. Even if you cannot be involved in VBS itself, there are a number of things we are trying to do to build the atmosphere of our theme. Please come through to see how you can plug in.

CAMP BANDINA

Registration has begun! If your child is wanting to go to Camp Bandina, you can register online at bandina-ccilhutsonsession.com.

EXPRESSION OF GRATITUDE

"To all the staff and members - I want to thank you all for allowing Eric and Me to have our wedding at the church. It truly was a wonderful gesture on your part. By you allowing us to use your decorations and coffee urn, etc. - helped make the wedding a beautiful place. The church was so generous to us in making this special day happen. And to you David, a "special" thanks for running the music and letting us use your sweet little girls in the wedding. May God bless you all!"
