From the Preacher's Desk

"Love..."

Do you know what's missing in our world? Love. It's as simple as that. Less than a week ago, eight people were killed in Georgia after a gunman opened fire upon innocent people, and as I watched the news reports I found my heart hurting for all those families who just lost loved ones. Some question "why" and the answer is simple, a lack of love. Just yesterday, in Boulder Colorado, ten people were murdered when a man entered a grocery store with a gun. I'm not here to debate or argue, as the media tends to do, about gun rights and laws. Honestly, you can take away every gun from the hands of U.S. citizens, but nothing will change until people start to live their lives with love. And I'm not talking about love for themselves but love for their neighbor. Matthew 22:36-39, "Teacher, which is the great commandment in the Law?" And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself." Until people in our world start putting the well-being of others first, we will never cease to see hate, violence, anger, and death. Most importantly, we need to start teaching our kids, when they are infants, how important it is to show love. We might not agree with the way the people in the world live, or share their same morals, but they were still created by God, a soul that needs to be saved and are deserving of love. Period!

Mark your Calendars for Friday, April 23rd. We will be having another devotional and movie night here at the building. As always, food will be provided! All we ask is that you bring your family, friends, and a chair. The past two of these events have been extremely enjoyable for those that came. Not only did we sing songs of praise to our God, but we got to enjoy much-needed fellowship. The movie

at this time is still up for discussion, but we have a few ideas. That being said, if you have any suggestions, we would love to hear them. Please make plans to join us for the fun, food, and fellowship.

We are excited to announce that we will begin our 2021 Summer Series on Wednesday, May 26th, and go through the month of August. Our theme for this year is: "Lessons Learned...Lessons Shared." As soon as we have a final list, we will post it online and in our bulletin. As of now, we have a number of new preachers from the area, as well as some men this congregation has come to know and love. I am also excited that we have some of our own members signed up to preach and teach. I missed our Summer Series last year and am excited we get to do it again. I hope you are just as excited to hear the truth preached. All I ask is that you continue to pray for this work, as well as the rest of the work that is going on here at the congregation. We may still be in the midst of a pandemic, but we cannot let that stop us from working for God's Kingdom.

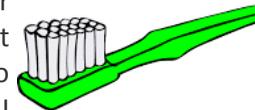

Last, but not least, I am so excited to see our numbers growing back to normal on Sunday mornings. We have had a number of members come back to worship on Sunday mornings, instead of online, and that has been amazing. I am grateful to have the technology we do so we can accommodate those who are not comfortable coming to the congregation, and we completely understand your desire to stay at home. That being said, fellowship is not the same online and it's been such an encouragement to see new/old faces in person again. It is important to note that although things are feeling more "normal" we still ask that you adhere to the requests of the elders regarding safety precautions and procedures. The light at the end of the tunnel is getting brighter, but let's continue to be as diligent as we try to keep people safe. Why? Well, how did we start this article? Love! God bless and have a great week!

Don't forget! This Saturday, Scott and Karen Ratcliff have graciously opened up their home to our youth group for games, devotion, and food from 2:00-6:30 p.m. I've even heard rumors of an egg hunt! If you would like to attend you are more than welcome to drive to the Ratcliff's house (I can give you their address, if you need it), but if you would like to catch a ride with the van, we will be leaving from the church building at 1:30 p.m. this Saturday. I'm super excited for this event and thankful to the Ratcliff's for all they do.

Camp Hensel is mere weeks away! If this is your first time attending our Easter Weekend Retreat and need to know what to pack for the weekend, I have a list of items to bring that I can get to you. Just ask!

Upcoming Events:

- Mar. 27 Easter Fun @ the Ratcliff's
- Mar. 28 Youth Devotional
- April 2-4 Camp Hensel Retreat
- April 17 Youth Bruncheon (rescheduled)
