From the Preacher’s Desk - Upcoming Events

The month of November is a month of Thanksgiving. Not only do we have the national holiday with its turkey, stuffing, mashed potatoes, and pie; but as a collective body we tend to be more grateful in November than any other month. Even though our morning sermons are not focused on “thanks-living” it doesn’t excuse us from making the effort to be grateful for everything good in our lives. Grateful to wake up each morning, and to have a roof over my head, a loving wife, and two beautiful girls. I am also grateful for the elders of this congregation, our deacons, and every member for their constant outpouring of love, not only to me and my family but to everyone. Most importantly I am grateful to God for giving us His only begotten Son, without which we would not have a means to escape this world.

Here’s the thing, for every thankful thing there might also be something troubling us, or that we are struggling through. It’s easy to allow those tough times to take away and cloud our gratitude. If all we ever do is focus on the doom and gloom, then we will only ever know a life full of doom and gloom. So, as bad as life might be, I encourage you this month, and every month for that matter, to focus on the positive things in life and remember there is always something to be grateful for and allow for that positivity to help you in your daily walk.

We need your help! Have you ever thought to yourself, “I want to help, I just don’t know where to plug in?” I can tell you now, that there is so much going on in the next few months that we can use all the help we can get.

First, every November an amazing group of members from this congregation put together Thanksgiving meals for our older members and

those who might benefit from a nice meal. While we might not need help cooking, we ALWAYS need help delivering those meals. In the foyer, you’ll find a sign-up sheet that will let me know if you are willing and able to deliver a meal. I’m not asking you to spend hours at someone’s home, I am only asking that you take them some food and remind them that they are loved by this congregation. Let’s not forget it is our duty as Christians to seek and save the lost, but on top of that provide help, love, and kindness when we can do so. So please consider signing up soon!

Second, our HEART OF CHRISTMAS event is right around the corner, and what that means is we have a lot to do and a short time to do it. Every year we set up two pop-ups at the Angleton Heart of Christmas event downtown. We pass out bottled water, treats, tracks, and play games with the community members. We are collecting more bottled water, we need help labeling those waters, and we are making some tasty treats to hand out that evening. We also need volunteers to help set up, as well as run the games and pass out the goods! Be on the lookout for a volunteer sign-up sheet where you can pick a time to help. We are not asking for hours of your time, just 30 minutes. Half an hour out of your night to remind people that the Angleton Church of Christ is here to help and that we love them. So save the date, December 2nd, and plan on coming out to help with this event.

Lastly, I am putting the final touches to our 2024 theme and would love to hear from the congregation! If you have a question or an idea, please don’t hesitate to come see me. While some people are not fond of criticism, I welcome it! The only way that this congregation can grow is if we work together. So please share your thoughts and your desires and let’s make 2024 an amazing spiritual year! God bless and have a great week!
