From the Preacher's Desk

This Saturday is our annual Trunk or Treat! I am super excited to have a large number of our community come and be with us while we fellowship, eat food, play games, and have fun! Let's not forget that our whole purpose in this event is so we can evangelize with our city friends. That's why we have chosen to use this new "walkthrough format" instead of our previous drive-thru option. Now families will be able to spend more time asking questions and getting to know people in our congregation.

Below is a diagram of the tentative setup including the two big bounce houses that we will have! Some have already reached out and requested specific spots because of electricity needs and to keep their kids safe, and we will do what we can to oblige.

We are still in need of a number of things. We need more candy! There really isn't a point where we have too much! We also have 5-6 games that we'd like to incorporate into the vehicles, if you'd like to help with one of those, please text me! Lastly, I'd encourage everyone to bring chairs and a pop up tent if you have one. This will help with shade and comfort ability! I hope you are as excited as we are to be a part of this fun day! And thank you, thank you, thank you, for all that you have already done and will do! God bless!
