FAMILY NEWS

Sunday was a blessed day of worship with the church. We were encouraged by our visitors. Let's make plans to be present each Lord's Day.

We are thankful for your giving for our renovation, phase 2. You gave \$5,164 for the month of September. We now have \$21,147.15 on hand to continue our renovation. We thank each one of you for your giving to this project. The two things we need to accomplish in phase 2 are improving our video and the ladies' restroom.

We are live-streaming our morning worship on Facebook. People are able to see our morning worship time. We are considering the addition of more microphones to help in our singing. At the present time you only hear one person singing because we don't have mics that will pick up the complete congregation. We are wanting to correct this particular problem. It is amazing how many people are viewing our program on Sundays. Jeff King stated a few weeks ago that the previous four weeks we had over 1,000 people view our videos. We don't know how long they watched, but every time someone views our service, it is an opportunity to reach another person. Let's all pray this outreach will influence people for God.

How many of us are inviting people to come to our services each week? God gives us the opportunity to encourage people we meet and let them know they are welcome at our service.

Are you reading the New Testament this week? If you have fallen behind, just start reading this week and go forward. This will be helpful in your life.

Wednesday Night with the Master is going well. We will be encouraged by being present. We are thankful for our cooks and clean-up teams. Your

family and you will be blessed by being a part of Wednesday evening's activities. We start the fellowship meal at 6:00 p.m. It is followed by people writing cards, calling, or visiting to encourage others. At 7:00 p.m. you have the opportunity to go to Bible class. Your presence is an encouragement to others. See you Wednesday night!

Please pray for our minster search committee. These men met last Sunday afternoon. People are sending in résumés to be considered as the next pulpit minister of the Angleton church.

On October 14 morning service Erma and I will be with the Midway church for a special event they are having. I will speak twice that morning. We will be back in Angleton for the 6:00 p.m. service. See you then.
Leland

EXPRESSIONS OF GRATITUDE

"Thank you for your kindness and sympathy at a time when it was deeply appreciated."

The Kathy Moran Family

"Dear Church Family, Thank you for your prayers, cards, kind words, and to the "GALS" for the bag of supplies, after the loss of my sister, Kathy Moran. Your love and kindness is sincerely appreciated. With Christian love," Sue Lay

"Brothers & Sisters of Christ, Thank you for your thoughts and prayers for my father and mother during the past five months. Your constant support and love during our difficult times were huge and we do appreciate it. Though my father is sitting next to our Lord, he is still with us...our hearts and mind. We know he's in good hands for Christ already conquered death. Thank you for your support with my father's memorial service and the amazing lunch. God bless each and every member of the body of Christ. We love you all,"
